

SAGE PROGRAM

The seamless solution to complicated and costly global connectivity management.

Advantage[®] brings unprecedented simplicity to the procurement of multiple internet service providers (ISPs) with Single Agreement Global Enablement (SAGE). This program centers around a single Master Service Agreement, which perfectly aligns the goals of vendors and client companies to ensure mutual success.

Provider Benefits:

- Increased Sales Opportunities
- Enhanced Brand Awareness
- Less Competition Against Large ISPs
- Avoid Time-Consuming RFPs
- Lower Cost Per Client Acquisition
- Reduced Costs & Resource Strains
- No Membership Fee
- Increased Contract Efficiency

Client Benefits:

- Simplified ISP Management
- Improved Local & Regional Services
- Significant Cost Savings
- Optimize All Inventory
- Higher Quality Customer Support
- Refocus Internal Resources
- Complete Account Visibility
- Standardized Solutions

Get the best pricing and experience available by engaging Advantage[®] as your single point of contact for all global ISP services.
